WTAMU seeks to be a first choice institution – first choice for students, for faculty and staff, and for employers and graduate schools. When prospective students are thinking about pursuing a university education in a field in which WTAMU has a degree program, we want WT to be their first choice. When a prospective faculty or staff member is thinking of a university in which to be employed, we want WT to be their first choice. When an employer is looking for a graduate to hire, we want WT to be their first choice. And when graduate schools come looking for graduate students, we want WT to be their first choice.
