

Our Mission

Lutheran Bible Translators makes God's Word accessible to those who do not yet have it in the language of their hearts. That Word changes ideas, attitudes and behavior. It impacts relationships, destiny, reality, self-worth, deep hunger...

"You mean women are the same as us? We've not been treating them right, then."

"We always knew we were under a curse, but never knew why or what to do about it."

"Is this the same Egypt as is in Africa? You mean this is real history, not just fables?"

"The Holy Spirit has finally peeked over the wall [the barrier of language] and seen us."

"This is my food."

You may have financially supported Bible translation from your current income. We invite you to consider how you can continue that through your estate plans.
