

NOVA SOUTHEASTERN UNIVERSITY

Nova Southeastern University (NSU) is experiencing an unprecedented period of growth and change. NSU pulses with energy and excitement, with first-rate teaching, research and community service projects. With the assistance of our family of donors who generously support our mission, we are well on our way to being recognized by accrediting agencies, the academic community, and the general public as a premier, private, not-for-profit university of quality and distinction that engages all students and produces alumni who serve with integrity in their lives, fields of study, and resulting careers.

To ensure our continuing success, we must recruit the best and brightest students, gifted teachers and outstanding researchers from around the world. As we continue our journey that began 50 years ago, we must expand our reputation for research that is second to none. Vital to our ability to achieve these goals will be our ability to increase our endowment.

Please consider joining us on this exciting journey by becoming a member of the 1964 Society, which is NSU's Legacy Society. The 1964 Society honors those individuals who include NSU in their estate and/or financial plan. 1964 Society members help NSU meet the challenges of tomorrow for future generations of scholars and students, while fulfilling their philanthropic and personal financial goals.
