About United Way of Miami-Dade

We all have a stake in creating a healthy and prosperous community. That's why at United Way of Miami-Dade we're working to create opportunities for a better life for all. We focus on the things that everyone needs for a good life: a quality education that leads to a stable job, enough income to support a family through retirement and good health.

We bring together the people and organizations from across the community who share in our vision and have the energy, passion, expertise and resources to get the work done. They are essential to our success and the success of our community.

We invite you to join us in this work. Lend your hand, your voice, your heart. Give. Advocate. Volunteer. That's what it means to Live United.

Our Mission:

Building community by helping people care for one another.

Our Vision:

We will have a caring community strengthened by its diversity and compassion.

United Way will be seen as a catalyst in building community by bringing hearts, minds and resources together.
