

Quiet Hour Ministries Mission

Mission Statement

Partnering with God in leading people to share his saving grace.

About Us

Volunteer-based evangelism is the key focus of Quiet Hour Ministries. We want people all around the world to experience the saving grace of Jesus Christ.

Every year we send hundreds of volunteer team members on evangelism mission trips. They present evangelistic meetings, lead children's programs, offer basic care at free health clinics, make home or hospital visits and build churches, schools and orphanages.

Our combined outreach touches the lives of more 100,000 people every year in countries around the world, resulting in many thousands accepting Christ!

Will you partner with us in reaching others for Christ?

About *Missions Today*

Filmed entirely in the mission field, *Missions Today* brings you the stories from our mission team members and the people they reach. See how God is working through ordinary people to bring thousands into His kingdom!

Watch our TV series, *Missions Today*, online right now at www.missionstoday.tv
